Agenda Item No. 4(AA)

To: Honorable Chairperson Barbara Carey-Shuler, Ed. D.  
and Members, Board of County Commissioners

From: George M. Burges  
County Manager

Subject: Road Closing Petition P-699  
A portion of SW 85<sup>th</sup> Avenue between SW 216<sup>th</sup> Street and SW 213<sup>th</sup> Street

---

**RECOMMENDATION**

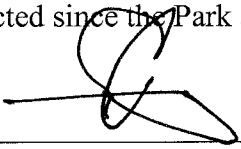

It is recommended that the attached Road Closing Petition by Miami-Dade County Park and Recreation Department be granted following a public hearing. The subject right-of-way has never been improved or maintained by Miami-Dade County. Closing the right-of-way would not have a negative impact on vehicular traffic.

**BACKGROUND**

The Miami-Dade County Park and Recreation Department is requesting to close an unimproved portion of SW 85<sup>th</sup> Avenue between also unimproved portions of SW 213<sup>th</sup> Street and SW 216<sup>th</sup> Street. Resolution R-1259-99, adopted December 7, 1999 at a Government Facility Hearing approved the Lakes by the Bay Park. However, the subject right-of-way bisects the site. Closing the right-of-way will enhance future use of two adjacent park properties. The vehicular traffic will flow north/south on SW 87<sup>th</sup> Avenue and east/west on SW 216<sup>th</sup> Street.

The right-of-way to be closed consists of a 110-foot wide portion of unimproved SW 85<sup>th</sup> Avenue right-of-way, from SW 216<sup>th</sup> Street north for approximately 937 feet. Said right-of-way was dedicated at no cost to the County in 1991, by the Lakes By the Bay Plat, Section 9, recorded in Plat Book 141, Page 2, of the Public Records of Miami-Dade County, Florida. The dedication contains a reverter clause stipulating that the property will revert to the abutting property owner when lawfully closed.

The Miami-Dade County Departments of Planning and Zoning, Fire Rescue and Public Works have no objection to the closing. The Water and Sewer Department has requested a utility easement for an 8-inch force main existing in the center of the subject right-of-way and the petitioner has agreed to grant said utility easement. Revenue from property taxes will not be affected since the Park and Recreation Department is tax exempt.
